

Flute Overtone

Finding your way around the flute

Finger all notes using the fingering for low C. Hold each note for at least four beats

The musical notation consists of a single staff in 4/4 time. It contains six measures, each with a whole note. The notes are: C4 (first line), C5 (second space), C6 (third space), C7 (fourth space), C8 (fifth space), and C9 (sixth space). Each note has a circled 'x' below it representing a finger. The fingering for each note is: C4 (index), C5 (middle), C6 (ring), C7 (pinky), C8 (pinky), and C9 (pinky). The notes are held for at least four beats each.

This exercise is designed to help you move between registers with ease. Try to play each note clearly. After you master this exercise, try it again on the low C# and D fingerings.
